SECTION B

Answer ALL questions.

Read the following extract before answering the questions.

Write your answers in the spaces provided.

Fujitsu is a leading global information and communication technology (ICT) business in Japan. It manufactures technological products including a wide range of computers that it sells to individuals, retailers and businesses around the world.

It has 130,000 employees and millions of customers in 180 countries.

Fujitsu sponsors the 'Women in Tech Excellence Awards' to recognise and encourage the development of technological skills in women. These awards recognise top-performing women in the technology industries and inspire younger women looking to build a career in these industries.

Fujitsu uses videoconferencing. One use is to provide training for businesses that *Fujitsu* sells complete computer systems to. Another use is to encourage employees to consult with their colleagues around the world by videoconference.

3 (a) Which **one** of the following is a disadvantage of teleconferencing?

Select **one** answer.

(1)

- A Technical problems may interrupt a meeting
- B The meeting can be recorded on the computer
- C It takes a long time to organise a teleconference
- D Food and drinks have to be provided to the attendees

(b) Which **one** the following is a reason why *Fujitsu* might like to write a letter to the winners of the 'Women in Tech Excellence Awards'?

Select **one** answer.

(1)

- A To save the cost of electronic communication
- B To ensure there are no spelling errors
- C To show its appreciation of their success
- D To ensure the letter is received on time

(c) State **one** reason *Fujitsu* sponsors the 'Women in Tech Excellence Awards'.

(d) Complete the Receipt to show the missing amounts.

SECTION C

Answer ALL questions.

Read the following extract before answering the questions.

Write your answers in the spaces provided.

FTLO Travel sells holidays online to customers around the world. It targets 25–39 year-olds, many of whom are travelling alone. It offers exciting international travel experiences to groups of people who have similar interests and a desire to explore new places.

Users of the *FTLO Travel* website fill out a questionnaire that identifies their travel interests. *FTLO Travel* then uses this information to plan trips. It puts these planned trips on its website so that anyone interested can book them. *FTLO Travel* emails details of these trips to selected potential customers.

FTLO Travel customers book their travel on its website. They must use a credit card to pay for their booking.

- 4 (a) Outline **one** benefit to *FTLO Travel* of receiving completed questionnaires from interested online customers.
